MOVING THE WORLD

KG INTERNATIONAL IS PROUD TO INTRODUCE KG FILTERS

Our new brand of filters is dedicated to improving the cost of ownership, availability, and price in a highly disrupted market. KG Filters are created true to OEM requirements and use high-quality, durable materials to clean our environment and keep MOVING THE WORLD.

KG FILTERS AIM TO EFFECTIVELY CATER TO AFTERMARKET NEEDS THROUGH:

- High-quality parts and finishing to improve performance and life
- Pricing that will help drive margin to make customers more competitive, productive, and profitable
- Strong design and packaging to drive scalability
- Ability to quickly develop range based on customer requirements
- Strong stock in Dubai for more manageable delivery times
